Through the corridors and around the front hall ring the
 buzzing voices of the YOUTH of NORTHEAST HIGH
 SCHOOL.

Splut

The Nordlys Staff of 1954 and 1955 has enjoyed many
 hours of fun and labor to create the "typical teenager",
 the ring of the voices, and the joy of this youth.

To the graduating Seniors of 1955 the staff hopes that
 this Nordlys will be a reminder of memories they will
 cherish always.

MR. J. B. GREENE

J. B. Greene, the principal of Northeast High School, is to everyone at Northeast, a man of rare personality and professional attainments. Getting things done in a quiet but firm way, he knows how to be a friend when a person needs one. Interested but never excited, his voice which is calm, even, reassuring under the most trying circumstances, reflects his character.

In the early days when Northeast was being built Mr. Greene was undisturbed by the sound of saw and hammer, picking his way among carpenter saw-horses, stacked lumber, wet paint, and plaster with great composure, yet with some caution. While the carpenters were building a school house, he and his associates were laying the foundation for the future.

Preceding his assignment at Northeast, he was Vice-principal at Harding Junior High-school and a teacher in the mathematics department there.

Mr. Greene has a Bachelor of Arts degree from Oklahoma City University and a Master of Arts degree from Columbia University.

He is our principal and we are proud of him.

Mace Spangler, our assistant principal, is also Tenth grade level counselor, boys tennis coach, aviation instructor for both class and flight training at Northeast.

Except while serving in World War II and in the Korean emergency in the U.S. Air Force, Mr. Spangler has been here since the second year Northeast opened. He is always busy and ready to help whenever possible.

Preceding his assignment here he was Vice-principal at Taft Junior Highschool.

He has a Bachelor of Arts degree and a Masters Degree in Educational Administration from Oklahoma University. He has also done some work on a Doctorate Degree in Secondary Education.

TO THE SENIORS OF 1955

I wish to extend my congratulation to you in having achieved the goal, graduation.

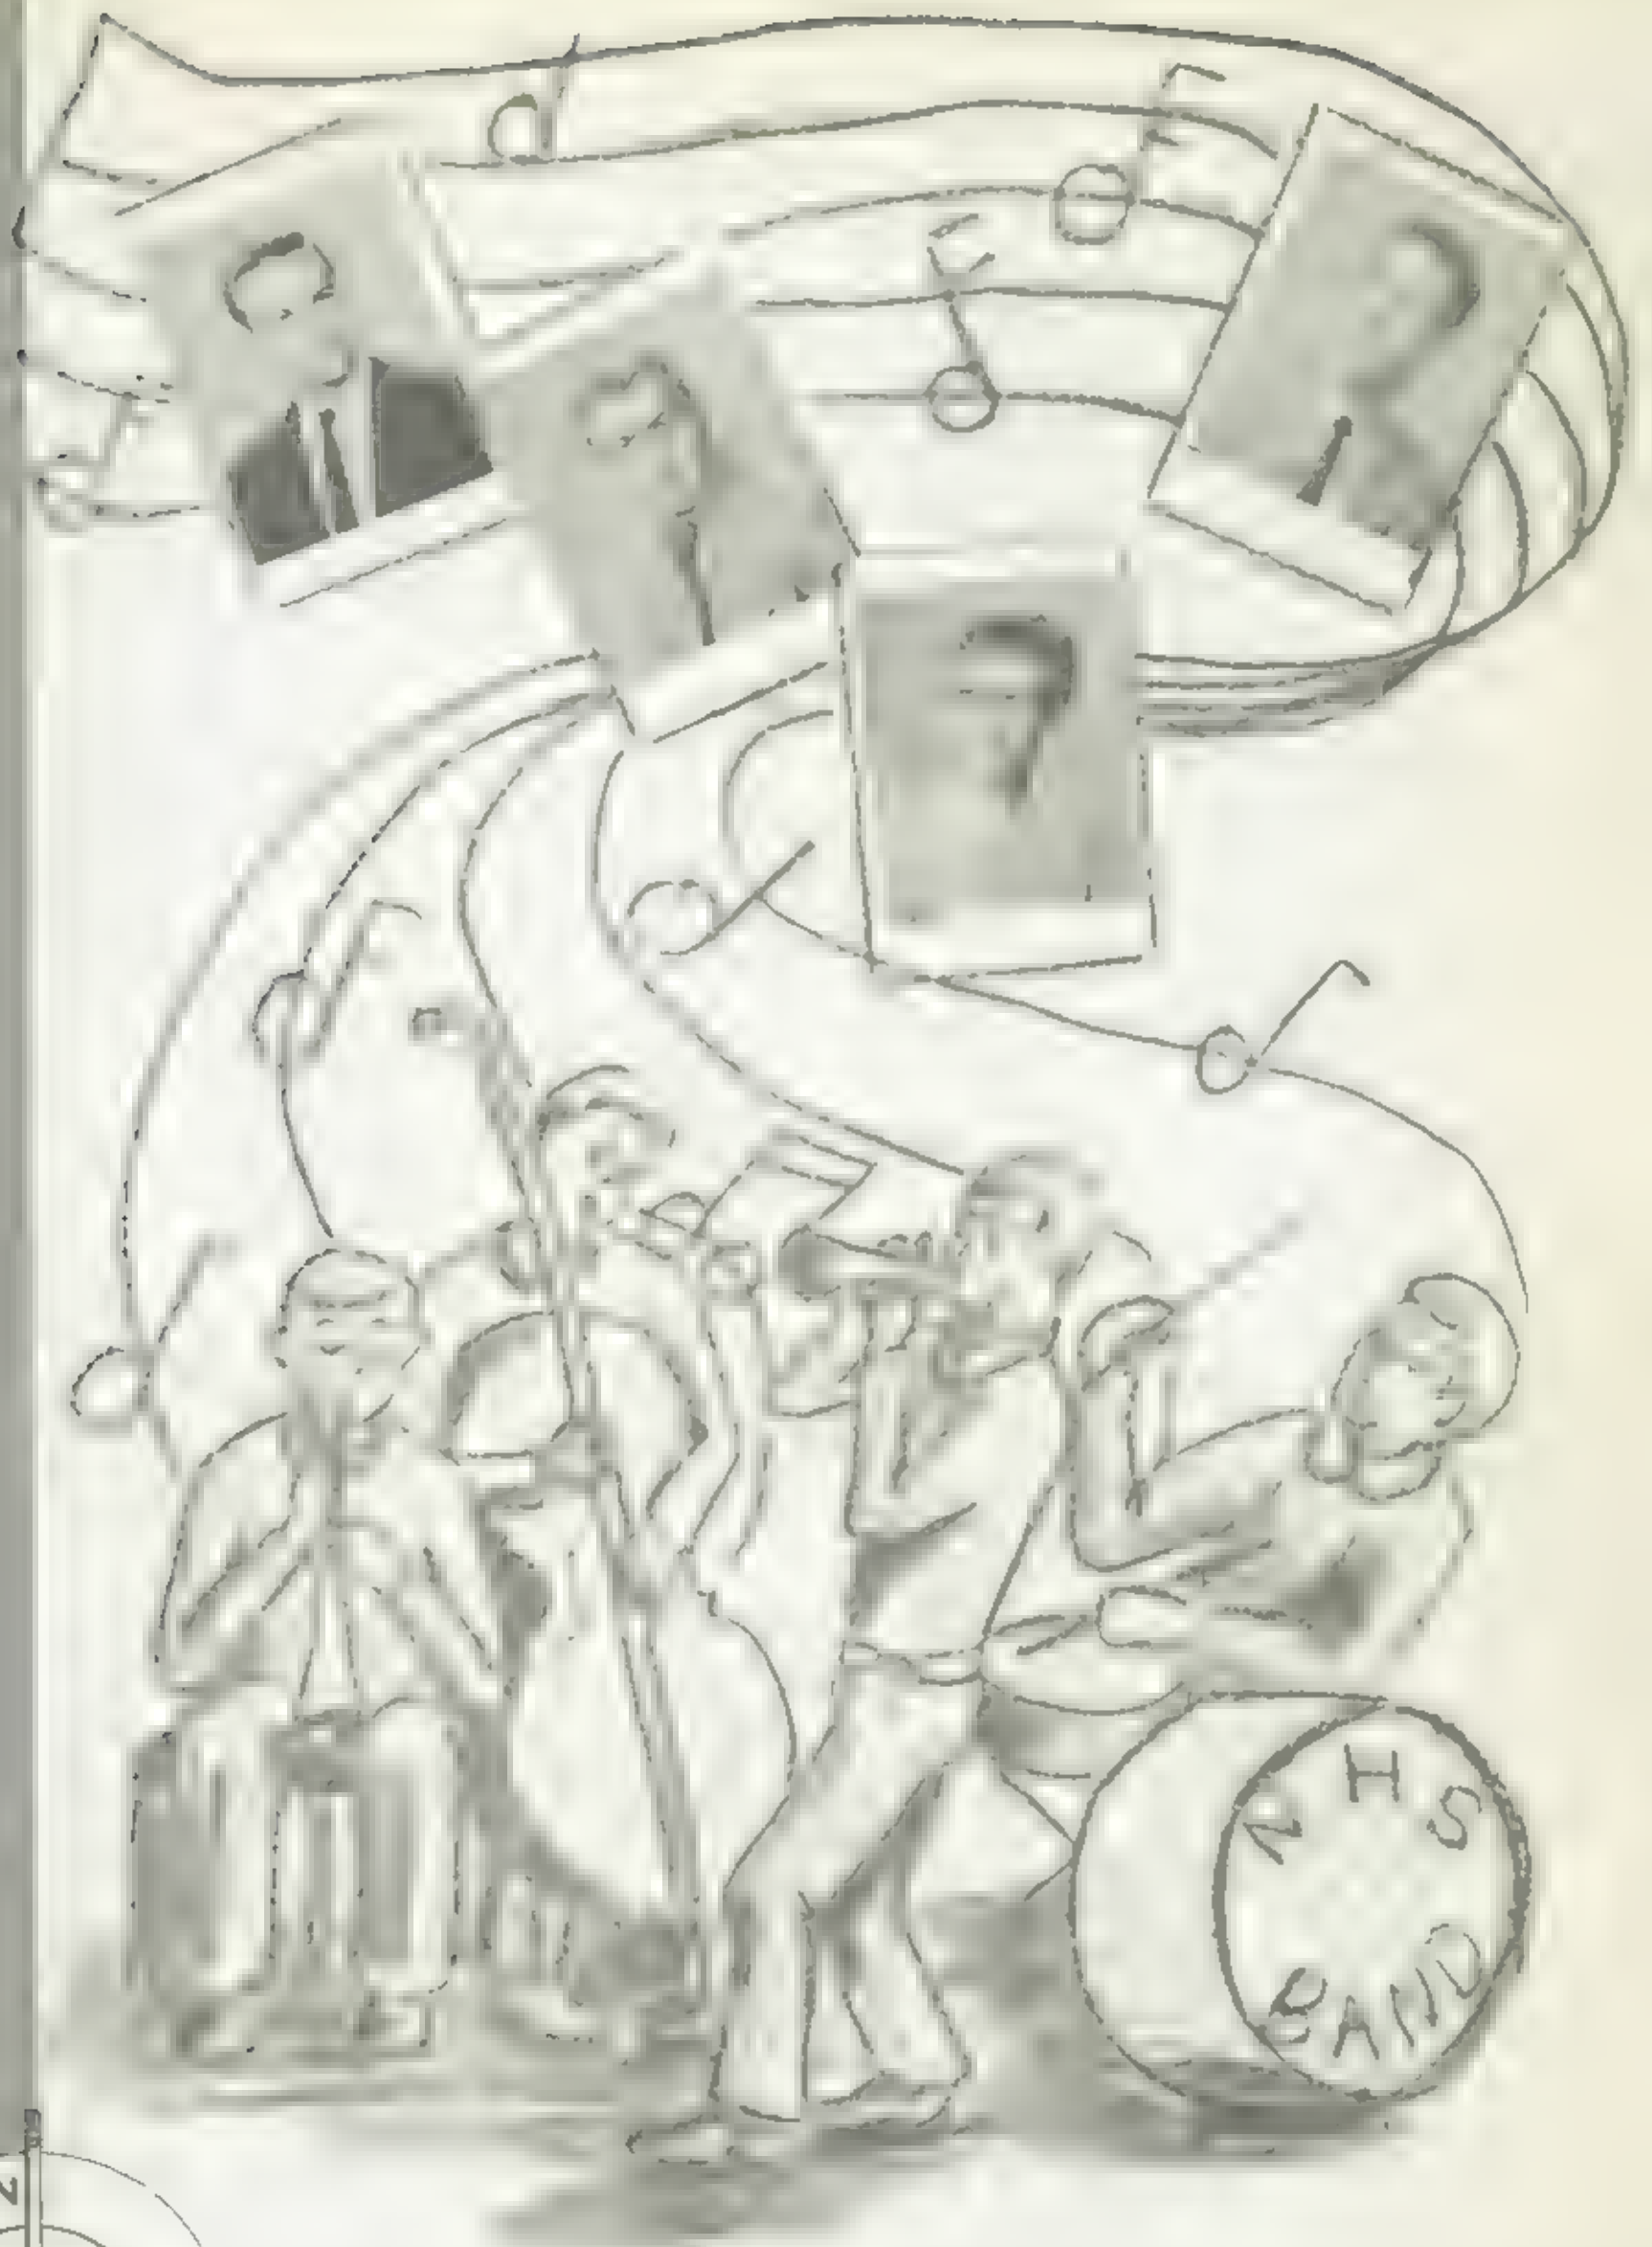

Graduation is that goal you have acquired with the days and years of laughter, play, and work, you have had together as members of the "Youth of Northeast".

May these experiences be guide posts for your future, and may your life be a happy and prosperous one, is the sincere wish I extend to each and all of you.

As Shakespeare once said, "To thine ownself be true, and it must follow, as the night the day, thou canst not then be false to any man".

With best wishes

Journalism Three members of the Norsemen Scroll are working on the next edition.

English This Sophomore English Class is learning some essential grammar.

Drivers Education An important class for teenagers that they seem to enjoy.

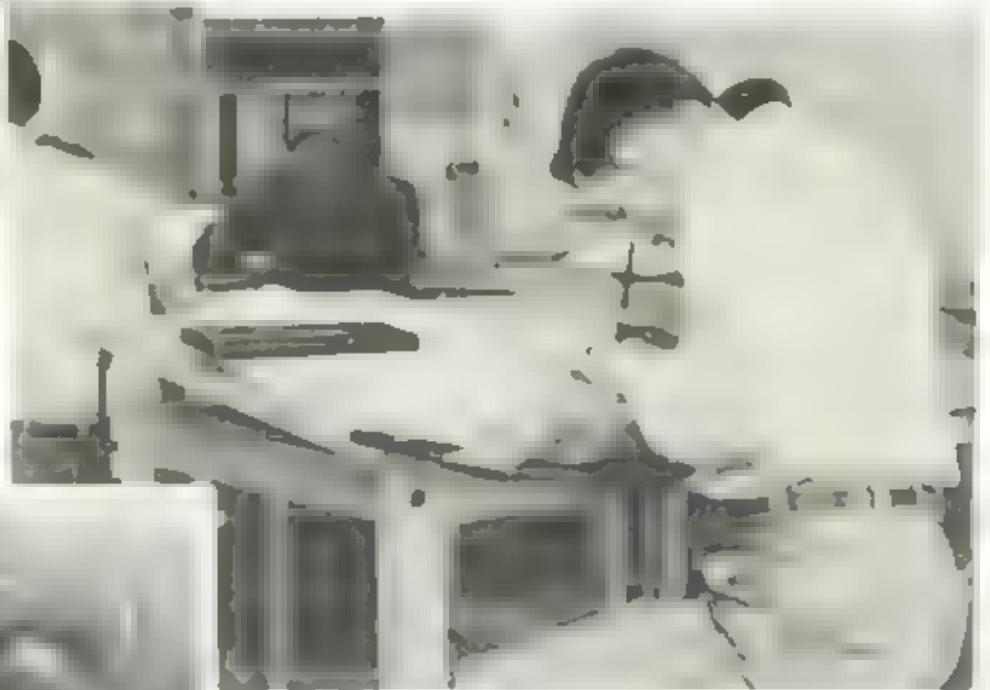

Math These students are putting their Geometry problems on the board for the rest of the class.

American History Some members of this class have found some important facts on a map.

American History A required class can be a lot of fun if you take an active interest in the subject. What could hold more interest than our own country?

Mechanical Drawing Mechanical drawing can be helpful in preparing the way for many different careers. It may be difficult but it is extremely essential.

Auto Mechanics Boys in this class are gaining information and skill to help them not only now but later in life.

Sewing Stitch, stitch, stitch, the sewing class never gets tired of making their own clothes. Adding a little here and there they really have some cute designs.

Cooking Ummm! Smells good, these girls will be the best of home makers with their knowledge gained at N.H.S.

Yearbook The Nordlys staff has many frantic moments trying to meet deadlines, but it's worth it to see their work completed well.

Stage Craft Lights, scenery, props, are only a few of the responsibilities of the stage craft class. We have found this year they are capable of handling it.

Welding Boys need this kind of education to work on their cars, or to prepare them for jobs outside of school.

Photography This is a class that is interesting to most people, whether they choose photography as a career or hobby.

Boys Gym Many sports and exercises are taught to these boys, to keep them in good physical condition during their days at N.H.S., by capable coaches.

Art An elective subject which offers students a chance to learn a skill while enjoying the satisfaction of doing wonderful work.

Chemistry "A little of this, a little of that" It takes a lot of work and concentration in Chemistry class, but it is also a lot of fun to experiment and see the facts for yourself.

Commerce is a group with Bookkeeping, Short cut, and Business English are subjects offered by the Commerce Department.

Foreign Language Two years of a foreign language is required for college. Spanish, French, and Latin are offered by Miss Snedaker.

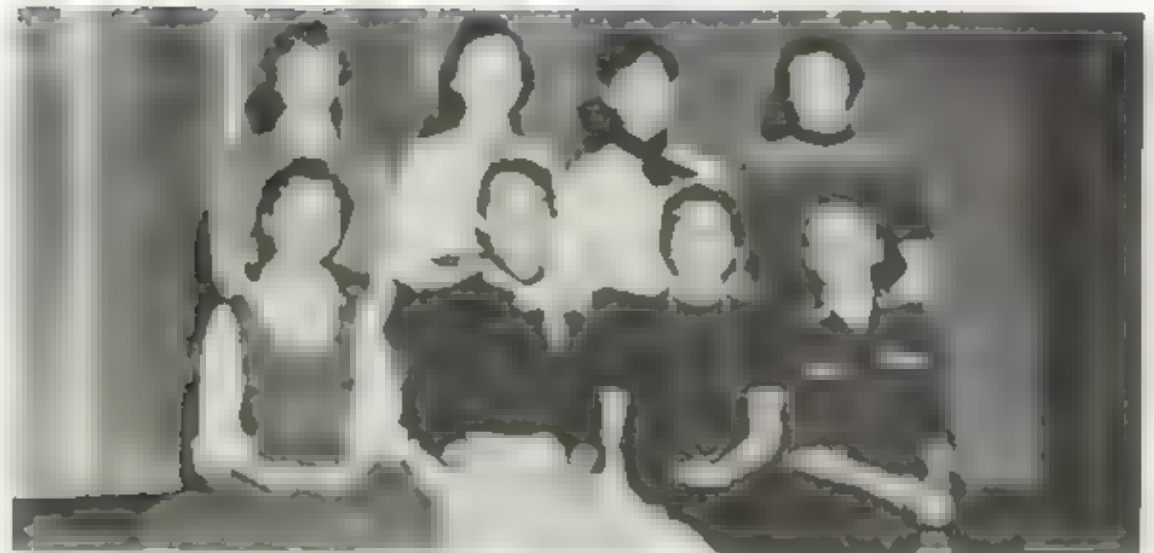

Wood Work These boys are learning a craft that can be used now and in later life. Under supervision of Mr. Reeves they learn to do by doing.

The constant streaking up and down the halls, of the '54-'55 staff members, has been a reminder to the student body throughout the year of the work being done.

It's been quite a job, but a lot of fun, bringing the many memories of this year together in our Nordlys.

With original bits the Scroll Staff peeps up the students by a monthly Norseman Scroll.

The "Mr. Howdy and Miss Hello" contest sponsored by the Scroll, gave an example of the Scroll's interest in Northeast.

They will do practically anything to find news. They are sometimes caught looking under the cafeteria tables, into the deep, dark corners of lockers, and under any stone they find unturned.

Dear Sandra,
 Now it's been a
 while since I've known
 you and I'm really glad
 we've had a class to-
 gether it's really been fun!
 I'm to see you soon!
 I hope we can get together
 this summer and maybe
 we'll have another class
 next year!
 Love you!
 Pat

"MR. HOWDY" and "MISS HELLO"

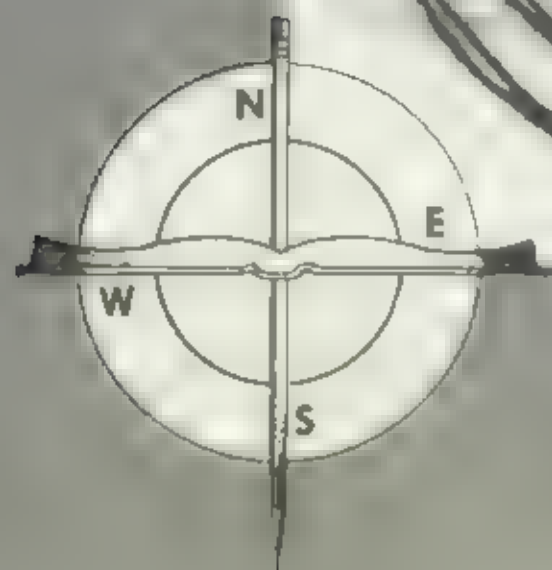

Carl Allsup and Gayle Gasper appear to be pretty proud of their new titles! But for good reason. They were voted by the school in a contest sponsored by the Journalism class to be elected the most friendly boy and girl in school.

Dear Sandra,

It's been lots
 of fun being in class
 with you this year! I've
 enjoyed it loads! You
 are such a sweet
 girl and I'll
 see you next year.

Dear Sandra,

I really love enjoyed
 knowing you. We really have
 had a gay, squashed time
 at lunch. Lots of luck always
 Love,
 Mary Ann

CALENDAR

September

Well, Cats, after a crazy mixed up summer the seventh of September began another school year. Many events during the summer kept us together, but seeing old friends and making new ones every day is always more fun. Football season got off to a good start with the game with John Marshall. We also played Central, and Yukon. This class and the Scroll staff collected new journalism ideas at a convention in Norman. The "Back to School" assembly the 23rd, was the best way to settle down to some serious studies.

October

This month began with the homecoming game with El Reno. A hard fought game. Other games this month were Classen, Grant, and Crooked Oak. We're proud to say we won the last two games. The Junior Class pay assembly the 12th, was really great. The annual P. T. A. open house the 19th gave our parents a chance to meet our teachers. The month ended with the School Play, a fine production of "Heaven Can Wait" with Jerry Hagee and Diane File.

November

The Norket Carnival to raise money for the football banquet was the big event of the month. Their planning made it a big success. The 4th was the game with Wynniwood, the 11th was the game with Southeast, the coronation of Sue Nelson, Band Queen, drew a big crowd. The choir attended the Festival in Stillwater, for combined choirs. School was out two days for Thanksgiving and every one came back happier and heavier. Basketball Season began with our first game with Guthrie the 30th, 47-43.

December

The best football season in many years was topped off by a banquet at Beverly's hide-a-way. Dicky Crosley was crowned Norket Dream Boy and Jerry Jones Norket Pin-Up Boy. Home basketball games were with Chickasha 68-44, Capitol Hill 59-53. The Family Relation Clinic for Seniors was the 8th, 9th, and 10th. The Christmas season was highlighted by the Christmas Assembly. The Y-Teen dance was held the 22nd. The snow 12 inches deep couldn't keep the Holiday dance, the 28th from being a huge success.

January

Through the confetti and streamers we got our first good look at the new year. Campaigning began the 4th and the week was devoted to the election of Student Council Officers: Pres. Rochelle Bachrach, Vice-Pres. Sue Parkhurst, Sec. Barbara Kehmeier, Treas. Carolyn Baker.

Another All City Dance followed our home game with Chickasha 56-25. Other home games with Norman 67-42, Classen 57-42, and John Marshall 64-44.

The Norket Mixer followed the Classen Game with the coronation of Kellis Armer and Rex Bagget, Nordlys Queen and King.

February

Everyone recovered from Semester tests last month in time for the All School Play "Lost Horizon" the 4th. The only home basketball game this month was with Central 54-53. The P. T. A. sponsored a Pancake Dinner the 25th with two basketball games. The girls played Southeast 54-14 and the boys, played Guthrie 56-38, followed by an All City Dance.

March

The time again to honor the basketball boys at the end of the season. This year the Norkets had a basketball game, to raise money, the Seniors vs. the Jr. and Soph. It was a good game and the Norkets went all out to please the basketball boys. Foreign Language week brought color, in costumes and signs, to NHS from the 7th-11th. Under the superior direction of Mr. White our annual band assembly was better than ever.

April

The first Viking Varieties was a smash hit. The Senior girls chorus line, the Y-Teen pirates, and the Norket Minstrel show were only a few of the wonderful acts which made it something to remember. The home economics classes Easter fashion was full of hints on the latest styles for this holiday. The Y-Teens Easter services started each morning of the 5th, 6th, and 7th with a devout spiritual thought from guest speakers. Honor Society initiation for both Jr. High and Sr. High, the 15th was a proud day for the many students of Northeast who made the grades. The band took many trips the week of 25-29 to play, ending that week and the month with their spring concert.

May

The first week of May was hot with campaign speeches for the election of next year's officers. We're proud of them and know they'll do a good job for NHS. The 10th, many happy students were thrilled with the scholarships and awards given in the annual awards assembly. Honoring the graduating Norkets the Juniors gave them a picnic. We really had fun and we'll miss those good times. The Seniors began the events before graduation with the Senior Assembly the 20th, the Senior Breakfast the 24th, at Beverly's hide-a-way, and the Senior Sermon, Memorial Day, and the long awaited Commencement June 1st. It's hard to express the feelings of graduation, glad to start a different life and very sad to leave the wonderful memories of Northeast behind us. Good luck to those leaving and the best of everything to the "Youth of Northeast" of future years.
